Dear Parents / Guardians of K5,

P4 Cohort Learning Journey

Cohort Learning Journey for P4 students in 2024 consists of Kreta Ayer Heritage Gallery, Geylang Serai Heritage Gallery and Museum Based Learning Experience to National Gallery Singapore (Ref: JWPS/2024/008 sent through PG).

Cohort Learning Journeys have been developed to provide our students with opportunities to explore their Singaporean identity through the arts, culture and heritage. These complement the Art, Character and Citizenship Education and Social Studies (SS) curricula.

Kreta Ayer Heritage Gallery

The focus of the learning experience is for our students to study the intangible cultural heritage of five Chinese cultural arts. Additionally, through the hands-on activities, objects and images, students will be guided to recognise the contributions made by the Chinese community in the development of Singapore, and understand the importance of knowing Singapore's history and multicultural heritage.

Geylang Serai Heritage Gallery

The focus of the learning experience is for our students to recognise the contributions made by the Malay and Muslim community in the development of Singapore. This learning journey will allow the students to learn about games from the yesteryear, the unique offerings of Geylang Serai Market as well as the special occasions celebrated by the community through hands-on activities, objects and images.

Details of the learning journey are as follows:
